

DRONE USA, INC. RETAINS ARDOUR CAPITAL INVESTMENTS TO PROVIDE INVESTMENT BANKING SERVICES

New York, NY – February 23, 2017 – Drone USA, Inc. (OTC Markets: DRUS) (“Drone USA” or the “Company”), a developer and manufacturer of low altitude Unmanned Aerial Vehicles (“UAVs”) and related technologies, today announced that it has retained Ardour Capital Investments LLC to provide investment banking services.

Michael Bannon, Drone USA’s Chief Executive Officer, commented: “we are delighted to be working with Ardour Capital Investments. Kerry Dukes, Managing Partner, co-founder and head of investment banking is thrilled to help us secure the short term and long term investments we need to achieve our strategic growth plans. He possesses a deep understanding of who we are and what we want to accomplish.”

About Ardour Capital Investments

Founded in 2002 and Headquartered in lower Manhattan at 26 Broadway, Ardour Capital Investments LLC provides investment banking and security brokerage services. The firm offers equity and debt financing, merger and acquisition advising, exchange listing, valuation analysis and other related financial services.

About Drone USA, Inc.

Headquartered at One World Trade Center in New York, NY, Drone USA plans to become a primary developer and manufacturer of low altitude unmanned aerial vehicles (UAV) and related technologies. Target markets include select defense segments (military), public safety (police, fire, emergency response), and high growth commercial applications such as agriculture, photogrammetry, mining, utilities, and entertainment. The Company seeks to strengthen its systems portfolio by acquiring UAV firms with superior technologies that are proven in high-growth markets, as well as complementary technologies such as sensors and software.
