

Drone USA, Inc. Will Exhibit Its Drones at the Connecticut Police Chiefs Association at the Aqua Turf Club in Plantsville, CT on Thursday April 20, 2017

NEW YORK, NY, April 19, 2017 -- Drone USA, Inc. (OTC Markets:DRUS) ("Drone USA" or the "Company"), a developer and manufacturer of low altitude Unmanned Aerial Vehicles ("UAVs") and related technologies, today announced that it will exhibit some of its products at the Connecticut Police Chiefs Association (CPCA) Expo on Thursday, April 20, 2017, at the Aqua Turf Club in Plantsville, Connecticut.

Michael Bannon, Drone USA's Chief Executive Officer, commented: "We are excited to introduce our drone technology to Connecticut Law Enforcement. There is much we can offer. We can offer the police:

- Intelligence, Surveillance & Reconnaissance Capabilities with Night Vision Cameras and Thermal Imaging Sensors
- Radiation, Biological and Chemical Detection
- Weaponized Drones
- Drones that Deliver Tear Gas and Other Non-Lethal Weapon Drones
- Training for Law Enforcement
- Search and Rescue
- Crime & Traffic Scene Analysis
- Active Shooter & Bomb Inspection."

Drone USA will be at booth 96 from 9:00 A.M. to about 3:30 P.M.

About Drone USA, Inc.

Headquartered at One World Trade Center in New York, NY, Drone USA is a primary developer and manufacturer of low altitude unmanned aerial vehicles (UAV) and related technologies. Target markets include select defense segments (military), public safety (police, fire, emergency response), and high growth commercial applications such as agriculture, photogrammetry, mining, utilities, and entertainment. The Company seeks to strengthen its systems portfolio by acquiring UAV firms with superior technologies that are proven in high-growth markets, as well as complementary technologies such as sensors and software.

Forward-Looking Statements

Certain statements in this press release may be considered “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements may include projections of matters that affect revenue, operating expenses or net earnings; projections of growth; and assumptions relating to the foregoing. Such forward-looking statements are generally qualified by terms such as: “plans, “anticipates,” “expects,” “believes” or similar words of like kind. Forward-looking statements are inherently subject to risks and uncertainties, some of which cannot be predicted or qualified. Future events and actual results could differ materially from those set forth in, contemplated by, or underlying the forward-looking information. These factors are discussed in greater detail in the company’s business plan and filings with the OTC Markets Group.
