

FTE NETWORKS, INC. TO PRESENT AT THE LD MICRO INVITATIONAL

LOS ANGELES, CA June 2, 2016 FTE Networks, Inc. (OTCQB: [FTNWD](#)) ("FTE" or the "Company"), a leading network infrastructure solutions provider in the technology and telecommunications vertical, today announced that it will be presenting at the 6th annual LD Micro Invitational on Wednesday, June 8, 2016 at 12:30 PM PST. Due to the reverse split effective May 26, 2016, the Company's trading symbol is (OTCQB: [FTNWD](#)) rather than (OTCQB: [FTNW](#)), for 20 business days as a result of the reverse stock split and will revert back to FTNW on June 24, 2016.

Mr. Michael Palleschi, Chairman and Chief Executive Officer of FTE will deliver a Company presentation and provide an update on FTE's recent operational milestones to members of the investment community. To arrange a one-on-one meeting with management, please contact Kirstin Gooldy at kgooldy@fnet.com or 1 (239) 220-5730.

The conference will be held at the Luxe Sunset Bel Air Hotel and will feature 195 companies in the small / micro-cap space.

About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into an event platform hosting several influential conferences annually (Invitational, Summit, and Main Event). In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and microcap universe.

For those interested in attending, please contact David Scher at david@ldmicro.com or visit www.ldmicro.com for more information.

Forward Looking Statements

This release may contain forward-looking statements relating to the business of FTE. All statements other than historical facts are forward-looking statements, which can be identified by the use of forward-looking terminology such as "believes," "expects" or similar expressions. These statements involve risks and uncertainties that may cause actual results to differ materially from those anticipated, believed, estimated or expected. These risks and uncertainties are described in detail in our filings with the Securities and Exchange Commission. Forward-looking statements are based on FTE's current expectations and beliefs concerning future developments and their potential effects on FTE. There is no assurance that future developments affecting FTE will be those anticipated by FTE. FTE undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required under applicable securities laws.
